Основен ремонт на Здравната служба в с. Старцево

В рамките на проект „e-Social Health Care”, с акроним e-SOHECA, финансиран от Програма за трансгранично сътрудничество INTERREG V-A Гърция-България 2014-2020, се ремонтира Здравната служба в с. Старцево. Направена е нова покривна конструкция, ремонтира се фасадата на сградата и комините. Дограмата на цялата сграда е подменена с нова PVC, както на прозорците, така и на вратите. С реализацията на този проект не само се подобри и възстанови сградата на Здравната служба в село Старцево, но и се удължиха експлоатационните ѝ качества.

The Health Service in the village of Startsevo is being renovated

Within the framework of the "e-Social Health Care" project, with the acronym e-SOHECA, financed by the Cross-Border Cooperation Program INTERREG V-A Greece-Bulgaria 2014-2020, the Health Service in the village of Startsevo is being renovated. A new roof construction was made, the facade of the building and the chimneys were repaired. The windows and doors frames of the entire building have been replaced with new PVC ones. The realization of this project not only improved and restored the building of the Health Service in the village of Startsevo, but also extended its operational qualities.
